No Problems . . . Only Solutions!

ABOUT US

Eaton Oil Tools, Inc. was founded in 1973 as a full service casing cutting company, servicing much of the offshore oil and gas industry in the Gulf of Mexico. Growing with the rising needs of the South Louisiana oil fields Eaton expanded its area of expertise and involvement. Today, after years of growing and expanding business operations, Eaton Oil Tools, Inc. has expanded into a leading service supplier of **cased & open hole fishing, thru tubing fishing, casing cutting, section milling, whipstocks & rental tools** throughout the Gulf of Mexico and Southern US. Our organization consists of talented, knowledgeable, technical veteran managers and supervisors who bring years of hands-on experience to our firm. With headquarters in Broussard, LA and additional facilities in Ruston, LA ; Carthage, TX ; Palestine, TX ; and San Angelo, TX, Eaton has been operating for over 40 years in the US and we are proud of the fact that we have what many consider to be the **best** "hands" in the oilfield. Our reputation of all services speaks for itself!

CASED & OPEN HOLE FISHING

Eaton Oil Tools, Inc. offers an extensive line of equipment for **cased and open hole fishing operations** both onshore and offshore. Supported by a team with hundreds of years combined hands on fishing and technical support, we have the expertise and problem solving skills required to succeed at innovative fishing operations regardless of size or geographical location.

THRU TUBING SERVICES

Eaton Oil Tools Thru Tubing provides full service **thru tubing fishing & milling services** to support rig, snubbing, P&A or coiled tubing operations. Eaton has an array of thru-tubing equipment - coupled with our qualified personnel and sharp execution of proven processes, perfected through years of service, we can efficiently and effectively address a range of thru-tubing applications.

SECTION MILLING

Eaton Oil Tools, Inc. is a leading service provider in the Gulf Of Mexico of Section Milling Operations. Eaton maintains a line of section mills for either **single or multiple string section milling**. Our 'Eliminator System' is a proven, cost effective way of safely cutting sections riglessly. With our experience & technology your sustained casing pressure solutions are at Eaton Oil Tools!

CASING CUTTING

Eaton Oil Tools, Inc. offers a complete line of **mechanical cutting equipment, spears and related equipment** for both multistring wells & piles.

WHIPSTOCKS

Eaton Oil Tools, Inc. offers both a traditional **dual trip sidetracking system** as well as a **single trip sidetracking system**. Our whipstocks are designed to deliver a clean casing exit with minimum milling time & providing a full gauge "window" for directional assemblies. Our sidetracking technologies are sure to satisfy customer who need the best whipstock service!

RENTAL EQUIPMENT

Eaton Oil Tools, Inc. specializes in providing quality rental equipment for drilling, workover, completions & well intervention operations through the Southern US. We pride ourself in providing quality, fully traceable products including **but not limited to:**

Handling Tools	Power Swivels	Hole Openers
Drill Pipe	Laydown Units	Stabilizers
Tubing	Ditch Magnets	Bits & Mills
Pup Joints	Crossover Subs	Casing Scrapers

CASING TESTING & PACKERS

Eaton Oil Tools provides **test packers, squeeze packers, squeeze manifolds, tension packers, retrievable bridge plugs, shear packers & chart recorders**. In addition to superior equipment, Eaton Oil Tools provides a team of experienced 'hands' who provide outstanding field services to get the job done right for you safely and promptly.

SPECIALTY TOOLS

Eaton Oil Tools extensive knowledge and hands on expertise allows us to engineer, develop and manufacture **custom tool modifications** in house to handle any problem that may arise in a timely and effective manner. Where there is a problem, we find a solution! We invite you to learn more about our center punch mill, jar jack, hole hawg & pipe trap!
